Presidents January 2012 Newsletter

As I write this newsletter my hope is that you had a wonderful Christmas and a Happy New Year.

2011 has been a challenging year for the Lakeville Lions our loss of gambling revenue has had impact on our charitable giving. It appears that we are making progress. The past few months have shown a steady increase in profit from gambling thanks to the hard work of Lion Sue our gambling manager. Good job Sue.

We have had four events during the month of December bell ringing for the Salvation Army, Arm Full of Love, Blood Drive and the annual Lakeville Lions Christmas party. Thank you to my fellow Lions that helped to make these events successful.

As we look forward to 2012, the next event will be the district 5M6 winter convention January 6-8 at the Bloomington Marriott. If you have never attended by all means do so it is a wonderful event.

I am now half way through my term as President of the Lakeville Lions. It has been a learning experience for me and thanks to the help of our past presidents and board members the ship has not gone too far off course. I consider it an honor to serve as President of our club.

My hope in 2012 is we can add new members to the Lakeville Lions, if you have someone that may be interested, by all means invite them to one of our general meetings.

Blessings to All

Lion John Buehler
