Lakeville Lions President's November Newsletter

We are in the closing days of the month of October the trees are beautiful the air is cool and crisp, which is a sign of what is to come weather wise. Some of our fellow Lions look at this time of the year to dust off the luggage and start packing to travel to a warmer climate. And there are some of us that hunker down and prepare ourselves to brave a cold Minnesota winter.

The month of October for our Lions club has had many successful events. On October 10th we had our 52 Club Dinner and drawing. There were 3 people who now have a smile on their face when their name was drawn for cash prizes of \$1,000 and two \$500 prizes.

On October 18th The Lakeville Lions assisted the Red Cross with the blood drive. The goal was to draw 68 units of blood. The goal was exceed and there were a total of 76 units of blood. A word of thanks to the 14 Lions who assisted in this successful blood drive.

In November we will once again donate Thanksgiving Day baskets to the Lakeville Food Shelf. I welcome my fellow Lions to join us and share in the joy of seeing those in need receive a blessing. This is an event is heartwarming and rewarding for those who participate. You will be informed of the date of the event at the next general meeting

And as we all know that once Thanksgiving has passed we begin to prepare for the Christmas season. Santa calls and the ringing of bells for the Salvation Army are right around the corner.

I wish all of my fellow lions and their families a Happy Thanksgiving. We have so much to be thankful for. I am thankful to be a member of a Lions club that is focused on the good works of giving. Let us continue to do the good works of Lionism.

God Bless
Lion President John Buehler
