Presidents Newsletter September 2011

Fellow Lakeville Lions as I see the changes in the weather I know that the fall of the year will soon be upon us. This summer has been an event filled time of the year for the Lions.

We had a very successful Beer- Brats & Bingo thanks to the weather and a lot of hard work from my fellow Lions. A heartfelt thank you to all who contributed to the success of the event.

We had our third annual contribution of backpacks and school supplies for those students in need of help to start their school year. A total of 36 backpacks were presented at the monthly District 194 School Board meeting. A thank you to Deb and Jerry Laugerude who took charge of this project to purchase and deliver the backpacks.

On August 22nd six members of the Lakeville Lions attended the district 5M6 meeting. We had the pleasure of having our new District Governor Lion Carol Farley speak and deliver her vision of the following year for District 5M6. Lion Carol will attend our joint meeting with the Lakeside Lions on Monday September 26th.

On August 24th the Lions supported the blood drive for the American Red Cross.

There were a total of 14 Lions that helped set up and take down the items need for the Red Cross to draw 76 pints of blood. Thank you fellow Lions.

On August 25th a fund raising Golf tournament was held with all proceeds going to Life Rebuilders and Cremation Society. The event was very successful but I might add some of the Lakeville Lions had marginal success with their game of golf and I am one of those less successful golfers.

Fellow Lions please mark September 10th 2011 on your calendar, as this will be the date of our food drive for the Lakeville food shelf. If you have not signed up to participate please contact Brian Vucinovich.

Fellow Lions please continue to look for new members as that is one of the goals we need to concentrate on to grow our clubs membership.

This has been a challenging year for us in our charitable giving because of the economy and reduction in the funds coming from chartable gambling. Fellow Lions keep the faith and we will move forward and seek all avenues to raise funds so we can continue to do the good works in the name of Lionism.

God Bless

Lion President John Buehler
